Good afternoon,

We appreciate your partnership. I am wondering if your organization would be interested in providing support for our Newcomer Middle School Program. The program runs Mon-Thurs, June 17th-July 3rd. I'm thinking of something along the lines of what Hawa does and also a few classes on financial literacy? Or other ideas you may have. Essentially we are looking for about 1-2 hours per day for 10-14 days, if possible.

Please let me know if this is something that you would like to discuss further.

Thanks! [REDACTED]

Good afternoon,

I trust this message finds you well. I am reaching out regarding the Youth Leadership Development program that CAIR-SV/CC conducted at Starr King. Following your recent discussion with Hawa Amiri, we are excited about the prospect of expanding our program district-wide to reach a broader audience of students.

We are currently in the process of drafting a Memorandum of Understanding (MOU), which we will send to you shortly for review. Please take the time to assess the document at your convenience and do not hesitate to reach out with any inquiries or clarifications.

Thank you for considering this opportunity to collaborate further.

Best regards,

Hello [REDACTED]!

Thanks so much for reaching out to share about the Leadership Development program CAIR has been providing at Starr King. It sounds like a terrific opportunity for students!

I'm cc'ing Gwyn Dellinger on this email, as she oversees our district's Office of Student Learning Assistance and our English Learner/ Newcomer/ Refugee teams and can talk with you further about the desire to expand sites.

Thanks so much for all you and the CAIR team do to support our students, families and community!

Hello [REDACTED],

I hope this message finds you in good health and high spirits! Thank you for inviting us to Starr King's parent night and the SJUSD Strategic Core planning. I really appreciated being a part of the planning committee and hearing from parents and their families.

I am reaching out to you regarding the 6-week Leadership Development program offered by CAIR for school-aged students. We have successfully launched the program at Starr King and are looking to expand it to other schools. We are hoping that you could assist us in connecting with schools that may benefit from our program.

Here is some information about the program:

The Leadership Development program is a 6-week program designed for Afghan youth (aged 13-18) who have recently arrived in the US (post-August 2021). The program aims to equip them with the necessary tools, knowledge, and support to understand their new communities while celebrating their cultural identity. Through this program, we hope to foster understanding and empower the youth to reach their full potential. The session duration can range from 45 minutes to 2 hours.

The topics covered in the program include:

- Civic Engagement
- College Career Readiness/pathways
- Leadership Skills/Financial Literacy
- Personal empowerment through Islam
- Cultural Awareness and understanding

- Mental and emotional health awareness

Thank you for your partnership. I look forward to hearing back from you soon.

Best regards,
