

MSV Application Fall 2026

The Society of Women Engineers at the University of Virginia invites you to apply to our Middle School Visitation Program on Sunday, November 15th, 2026.

The program gives middle school students a look at engineering fields through speakers, lab tours, and hands-on design activities.

The program is designed to benefit participants with all levels of engineering experience.

The program will take place 10 am – 3 pm Sunday, November 15th in-person at the University of Virginia. This event is geared towards all middle school students in 6th–8th grade. SWE is a female-run organization and creates a women-oriented space for all women in engineering, and we welcome everyone who wants to be in this space to apply. Applicants should be

interested in STEM and willing to bring a positive attitude towards the day.

This application deadline is October 1st at 9:00 am EST. If we reach max capacity, participants will be placed on a waitlist. Decisions will be sent out shortly after the due date.

Please direct any questions about the event to uvaswemsv@gmail.com.

To start, please enter the participant's email. Please enter an email NOT associated with your school's domain (Example: student@lcps.org) because we are unable to send emails to those addresses. Be sure to check the email that you provide below because you will need to confirm your attendance prior to the event.
